IDEAL FOR PATIENTS WITH:

Pain and inflammation

Pain from strains, sprains, and other slow-to-heal injuries

Pain from overuse or repetitive strain injury

Post-operative recovery pain

Active system

OrthoCor Active System[®] for
Wearable, Drug-Free Pain Relief

Move freely. Live painlessly.

The OrthoCor Active System is a game-changer. It uses Pulsed Electromagnetic Field (PEMF) therapy that works at cellular and molecular levels, encouraging your body's natural healing process. **No pills, surgery, side effects or complicated treatments.**

Active Back System

OrthoPods

POWERFUL PAIN RELIEF

Intervenes at the root cause of pain by lowering inflammation instead of masking the symptoms.

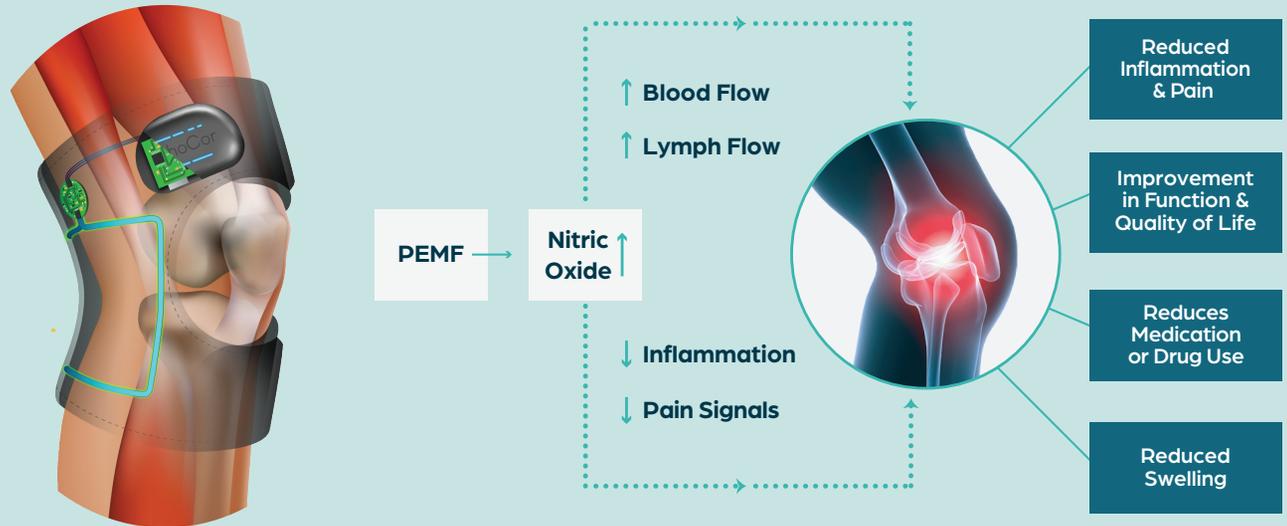

PROMOTES NATURAL HEALING

Increases nourishing blood flow to the area to signal and enhance the healing process.

EVERYDAY EASE

Comfortable, wearable therapy when and where it's needed, at home or on the go. Treatment time is only 2-hours, once per day.

Pulsed Electromagnetic Field Technology (PEMF)

Your doctor prescribed the Active System. What happens next?

1 WORKERS' COMP APPROVAL

After your doctor orders your Active System, OrthoCor Medical gets approval from your workers' compensation adjuster. This typically takes 1 to 4 weeks.

2 ACTIVE SYSTEM SHIPS

After adjuster approval, your Active System should arrive in 5-7 business days. OrthoCor may contact you to verify your address.

3 ORTHOCOR FOLLOW-UP

After your Active System arrives, an OrthoCor Customer Experience team member will contact you to ensure you know how to use your device and to answer any questions.

4 THERAPY BEGINS

Simply make the OrthoCor Active System part of your daily routine for targeted relief and a transformed life. Should you have questions, contact us at 888-583-6268.

Active system is powerful pain relief that fits into your everyday life.
